Every team member, regardless of their role, is essential to achieving this goal. I’m excited to welcome the future members of this all-star team.”

**Alina Alonso Rodriguez**  
*Co-Managing Partner, Miami*

“In the Marine Corps, I learned the importance of a diverse team. A diverse team uses their different backgrounds to get to the root cause of a problem. When my unit went down range to Iraq, we were given the autonomy to oversee our area in large part due to our diversity and varied experience. Similarly, our firm’s diversity is a force multiplier that allows us to solve our clients’ most difficult challenges. Semper Fi.”

**Justin Niznik**  
*Co-Managing Partner, Orlando*

“Bowman and Brooke provided me with a unique cross-border litigation practice. Shortly after joining the firm, I discovered that I did not just join a “firm,” but rather, I had joined a family. The firm has an open door policy and provides numerous opportunities for growth. It also fosters inclusivity by welcoming diverse attorneys and encouraging professional development.”

**Sunny Rehsi**  
*Associate, Detroit*
